session will enable the Professors to give a more extensive and thorough course of instruction, which will be carried on

principally by daily examination in designated portions of

the text books, with such explanations and illustrations as

He sought aid from physicians at home and in Europe, but in vain; his case was prenounced hopeless by thousands, and it was by accident that he succeeded in curing himself. Since he has been practicing medicine, his success in such cases has been unrivalled. He has been aware of the incredulity of the public, and consequently said nothing through the press of his own case, until the character of the medicine was fully established by its success, as shown by the certificates which have need by its success, as shown by the certificates which have been advertised.

MEMPRIS, Tenn., April 17, 1852. I hereby certify that I have been ac pusinted with Dr.J. N. Blodsoe and some years ago he was reduced I believe lower than I have ever seen any one that afterwards recovered, with what I supposed to be Dyspepsia and Liver affection, and after trying the prescriptions of many Physicians in this as well as other countries, without relief, he finally succeeded with a preparation of his own in being restored to good M. Physicians are requested to try this preparation. We feel satisfied it will sustain the character we give to it in this publication.

Huxesville, January 12, 1852. Dr. Branson: -I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medicine. My son, aged 15 years, had been under medical treatment about five years for dyspepsia and diarrhea when having almost despaired of his recovery, I conchilded to try your Alterative, two bottles of which, I believe, entirely cared him. MICAJAH CAYCE.

HUNTSVILLE, Oct. 17, 1852. Dr. Blenson: Some time has clapsed since I gave a certificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saying to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stomach from dyspepsia. I had tried of several whom I thought to be the best physicians in the place and a great many different medicines, with momentary relief. Being persuaded to try your alterative compound, I did so and I am happy to say that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsia.

HUNTSVILLE, Sept. 20, 1851. Dr. Bernson-Having seen the publication of your Alterative Compound, I think it my duty to say to the public, that I had been for years subject to spells of Cramp Colle, in its worst form; that I had tried almost every thing that is given by physicians, and never found any thing that would certainly relieve me, until I tried the above medicine, which has relieved me in every attack in less than an hour.

Dr. Brensor: I feel that I should fall short of my duty to you and to those who are afflicted, were I not to further recommend ; our Alterative Compound. It has entirely relieved me, so that I have not had cause to take anything in two meaths. I can eat snything I want with impunity, and believe my health is as good as it ever is at my advanced age. DR.
